

PRINCIPATO DI PARRANO

PRINCIPATO DI PARRANO · UMBRIA, ITALY · SINCE 1118

Castle weddings in Umbria

The castle, the medieval village, the chapel of San Biagio and the church of Parrano: one continuous setting that follows the couple from the ceremony to the late-night toast on the hanging terraces. One couple at a time, absolute privacy, bespoke set-ups designed with our in-house wedding planner.

The ceremony

Religious ceremonies take place in the church of Parrano, connected to the castle by the chapel of San Biagio. Civil and symbolic ceremonies are held in the halls, on the terraces or among the vineyards of the estate.
